

Name _____ Date _____

Test Seven to be taken after the completion of Chapter Fourteen.

Grammar

1. What is a definition for the imperative mood of a verb? *It means a command is given.*
2. If you want to show the location of towns, cities, and small islands, what case might be used other than the Ablative of Place Where? *Locative case*
3. Use the Ablative case to express Time within Which.
4. Use the Vocative case to address someone.

Practice Give the present imperative singular for the following verbs.

5. oppugno *oppugna*
6. ambulo *ambula*
7. ausculto *ausculta*
8. honoro *honora*

Translate into Latin and then give the present imperative plural for these verbs.

- | | |
|-----------------------------|-----------------------------|
| 9. report <i>narrate</i> | 12. praise <i>laudate</i> |
| 10. cares for <i>curate</i> | 13. attack <i>oppugnate</i> |
| 11. sing <i>cantate</i> | 14. greet <i>salutate</i> |

15-24. Declension

Decline this third conjugation noun.

<u>lex</u>	<i>leges</i>
<i>legis</i>	<i>legum</i>
<i>legi</i>	<i>legibus</i>
<i>legem</i>	<i>leges</i>
<i>lege</i>	<i>legibus</i>

Translation

25. Cur Romae habito? *Why do I live at Rome? (or in Rome)*

26-27. Omnes viri sunt immortales. (immortalis = immortal) *All men are immortal.*

28-29. Erant septem sapientes viri Graeciae. (sapientes = wise). *There were seven wise men of Greece.*

30-35. Etiam septem reges Romae; numerus igitur sapientium virorum Graeciae est idem sicut regum Romae. (idem, eadem = the same; sicut = as) *Also there were seven kings of Rome (or at Rome); therefore the number of wise men is the same as of the kings of Rome.*

36-40. Memoria horum hominum non est eadem, quoniam non omnes viri erant idem. (horum = of these)

The memory of these men is not the same because not all the men were the same.

41. Nostra patria est beata. *Our country is blessed.*

Give a short definition for each Latin word: (Teacher, either definition is acceptable.)

42. quattuor *four*

43. postea *afterwards*

44. diu *for a long time*

45. puto *think*

46. factor *maker, doer*

47. pax *peace*

48. furor *madness, rage*

49. soror *sister*

50. virtus *strength, power*

51. auditor *hearer, student*

52. iudex *judge, juror*

53. miles *soldier*

54. cor *heart*

55. merces *wage, reward*
