## A Greedy Man and an Apple

dative = blue ..... genitive = pink  
abative = green ..... adverb = yellow  
vocative = gray

Vir valde avarus est.

Poma in horto eius pulcherrima sunt,

quasi poma in hortis Alcinoi et in hortis Hesperidum.

Vir poma plurima colligit, sed parce comedit.

**Comedere vero non audet, nisi poma iam corrupta sunt.**

Vir ille avarus est, sed filius eius liberalis.

Amicos ad pomaria dicit et poma eis dat, dicens,

"Accipite ex his omnia poma quae vultis,

praeter poma corrupta et marcescentia.

**Comedere huius modi poma patri meo placet."**

Amici huic pracepto libenter obtemperant!
